Please initial by the following expectations to give your agreement for your child's involvement:

Parent	Child	
_____	_____	I would like to participate in leading Kids' Ministries worship as part of a team . Worship will take place during the 2nd service in Higher Ground for Grades 1-5, but practice will be on Thursday evenings from 6:00-6:45pm. By committing to serve, ONLY when I am scheduled, I will attend practice.
_____	_____	I understand that leading others in Worship is a privilege and honor and will treat it as such. I will do my best to learn the songs in advance of when I am scheduled so I may worship freely with others. A CD of possible songs along with lyric sheets will be given near the beginning of the season for listening and learning at home. On a given Sunday, three to four songs will be used.
_____	_____	Since email will be the primary communication method, I agree to check my email regularly for any updates that might be sent. As an example, the songs for your scheduled week will be sent by email.
_____	_____	I understand that I will be placed on a schedule. This schedule will be based on my availability for Thursday evening practice (6:00-6:45pm) ONLY on the weeks I am scheduled. Each participant would be scheduled 1 or 2 times per month depending on the number of people on the team. (If you are not available on Thursdays, please note that – we will work around it as we can.)
_____	_____	When the schedule is created and shared, if there are any Thursday or Sunday dates I am scheduled that will no longer work for me, I will contact the Leader as soon as possible so a replacement can be found.
